4th October 2018

Dear Parents/Carers and Community Members,

We will be holding a Parent and Child workshop on Thursday 15th October focusing on Cognitive Acceleration which will be led by Mr Arding. This year the workshops will be designed so that you and your child can learn something new together.

We are anticipating a high level of demand for this workshop and places must be limited to only 12 participants, allocated on a first come, first served basis. Please complete and return the attached slip as soon as possible if you would like to attend. If you have more than one child at our school, and you wish for more than one to attend, please write each child's name on the slip below.

We would also like to gauge what time is most suitable for parents to attend these workshops and in order to do this we are offering two time slots. Please can you indicate your preferred time to attend this workshop by ticking one of the times slots below. We will then confirm what time we will hold the workshop by going with the most popular time.

We can provide a free crèche facility during the meeting. Please email on community@wingfield.greenwich.sch.uk by 1st November if you would be interested in using this.

Please see the Parents' Information section of our website for details of other workshops scheduled for this term.

Best wishes,

Miss Samantha Edgar
