

Dear Parents/Carers,

Please find attached an updated timetable outlining the Community and Parent/Carer Meetings that are taking place this year. These are open to all interested parties: parents of children at Wingfield and beyond. All meetings are free of charge and are delivered in a relaxed, friendly way. We would love to see even more of you attending these meetings, so please do ask if you have any questions at all.

To support those of you with young children, we are able to provide limited crèche spaces during these meetings. Please speak to myself in advance to book a place.

This timetable will continue to be added to from time to time, so please check our website for the most up-to-date version.

Best wishes,

Chris Chislett
